- 9:51am 3** Interim Use Permit for Mining - Tiller Corporation. Planning & Zoning
Lynn Waytashek, Planning & Zoning Administrator

Fobbe/Dolan were unanimous to approve an Interim Use Permit for Tiller Corporation for Mining, with the (25) recommended Conditions and Findings of Fact, as recommended by the Planning

Commission; PID # 30-034-2201, 30-034-2200, 30-034-1207, 30-027-3300, 30-027-3301, 30-027-3302, 30-027-3303; Legal Desc: S 1626.50 ft of W 1-2 of NW 1-4 (full legal on file); Sec 27 and 34, Twp 34, Rge 26; with 155 acres in General Rural District and within the Natural Environment Shoreland Overlay District of Rice Lake.

Conditions:

1. An Annual Review for Compliance will be conducted in January of each year by Zoning Staff. If the conditions of the permit have not changed, and no complaints or concerns have been filed, the mine will be determined to be compliant once the annual fee is paid. If the conditions of the permit have changed and / or if it is determined by the County the mine is noncompliant, the applicant will be advised to attend a public hearing with all associated costs being born by permit holder for further review or amendment. This is not an exclusive remedy.
2. The annual fee for the permit shall be based on the current per acre fee set by the County Board in the annual fee schedule.
3. The applicant must adhere to the conditions of the approved No Loss and Wetland Replacement Plan approved on June 30, 2022 (Board Packet Attachment G).
4. Pursuant to Zoning Ordinance Section 16.2, Subd. 5.14. F, the permittee shall maintain liability insurance for the duration of the permit which shall include at a minimum the coverages and amounts shown on Permittee's current Certificate of Insurance, a copy of which is on file.
5. Permit holder shall maintain performance & surety bond in an amount set by the County Board in the Annual Fee schedule.
6. Gravel tax payments must be kept current, and the County has authority to request an audit to ensure compliance with Gravel Tax Law.
7. All mining activities day or night must comply with MN Rule 7030.0040, Noise Standards. Should complaints arise to the County or Township noise level testing will be required in accordance with MN Rule 7030.0060, Measurement Methodology and a copy supplied to the County.
8. All Commercial Access to the mine will be at the US Hwy 169 Entrance. No commercial access will be taken from 239th Ave. Access from 239th will be limited to staff vehicles. Applicant must obtain an access permit from Livonia township.
9. Hours of Operation:
 1. Mining hours of operation for Phase 1 thru 4 are to be allowed 24 hours a day Monday through Saturday, except Sundays or on the following holidays: New Year's Day; Memorial Day; Independence Day; Labor Day; Thanksgiving and Christmas.
 2. Mining hours of operation and maintenance for Phase 5 are 7AM to 6PM Monday thru Friday, Saturday 7 AM to 12 PM – no mining or hauling shall take place on Sundays or on the following holidays: New Year's Day; Memorial Day; Independence Day; Labor Day; Thanksgiving and Christmas.
10. No jake breaking will be permitted during the nighttime hours. No back up beepers permitted during nighttime; only strobe lights and or broad band back up alarms permitted for backing up.
11. Wet mining will be permitted, no dewatering will be allowed. Should the applicant desire to dewater, the applicant must amend their current IUP.
12. A hot mix or cement plant will not be allowed under this permit.
13. An extractive use shall be solely for operations directly related to such use. Any other use shall require a separate IUP. It shall be the responsibility of the pit operator or owner to control activity within the pit area and cleanup any debris or other material left onsite.
14. All use of firearms is prohibited.
15. All equipment and vehicles utilized at the site shall be periodically inspected and

maintained to minimize noise.

16. All refueling and hazardous materials must be stored on impervious surfaces away from open water and on a containment pad.
17. The applicant is required to maintain a current NPDES permit.
18. The applicant shall agree to permit the County to inspect the property any time.
19. All activity connected to the mine shall proceed according to the Written Application for IUP from Tiller Corp. (Board Packet Attachment B).
20. Due to the presence of Oak Wilt, tree trimming, and removal will not occur from April 1 through July 15.
21. Products containing chloride that are used for dust control will not be applied on lands that drain to Public Waters.
22. Mining shall proceed in phases as proposed in the Mining Plan Map (Board Packet Attachment F).
23. Vegetative screening of trees along Highway 169 within the 40ft setback must be kept intact.
24. Restoration shall adhere to the proposed Reclamation Plan Map (Board Packet Attachment H). The reclamation area is to be seeded with short dry prairie grass mix per recommendations from the Sherburne County Soil and Water Conservation District.
25. If open water is to remain as part of the restoration, the remaining pond must not be larger than 40 acres.

Findings:

1. That the Interim Use will not be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted, nor substantially diminish and impair property values within the immediate vicinity.
2. Yes, Gravel Mining is permitted in the General Rural Zoning District with an approved IUP. The conditions of approval and the operational plans are in place to mitigate the injurious impacts on properties in the immediate vicinity of the mining operation. Specifically, berms and dust mitigation plans are required as conditions of approval to minimize noise and dust from the site impacting neighboring properties. The property is surrounded by large acreage parcels. The surrounding area is wooded with hills which will help screen the mining operations.
3. That the establishment of the Interim Use will not impede the normal and orderly development and improvement of surrounding vacant property for uses predominant in the area.
Yes, this property is zoned General Rural and the County's Comprehensive Land Use Map has this property zoned for Rural Residential. This proposed use is consistent with the land use to the south of these parcels. There are no vacant properties surrounding this parcel.
4. That adequate utilities, access roads, drainage and other necessary facilities have been or are being provided.
Yes, adequate roads and stormwater infrastructure will be in place for the proposed improvements. The applicant has an existing agreement with Waste Management (owners of the Elk River Landfill) that will allow access to US Highway 169 at an improved intersection with turn lanes, acceleration lanes and truck hauling signs.
5. That adequate measures have been or will be taken to provide sufficient off-street parking and loading space to serve the proposed use.

Yes, the property is large enough to accommodate the mining equipment and employee vehicles while the mine is in operation. Access to the mine is from US Highway 169 and there is adequate off-street parking for trucks entering the property.

6. That adequate measures have been or will be taken to prevent or control offensive odor, fumes, dust, noise and vibration, so that none of these will constitute a nuisance, and to control lighted signs and other lights in such a manner that no disturbance to neighboring properties will result.

Yes, the conditions of the IUP, hours of operation, dust mitigation and noise reduction plans, along with State standards for air emissions and noise standards demonstrate that adequate measures are being taken to minimize disturbance to neighboring properties.

- 9:51am** **4** Resolution 090622-AD-3036 a Declaration of Adequacy of Environmental Planning & Zoning Assessment Worksheet (EAW) and Negative Declaration on the Need for an Environmental Impact Statement (EIS) for "The Oaks of Battle Brook"- Oaks of Battle Brook, LLC.
Lynn Waytashek, Planning & Zoning Administrator
Danielowski/Fobbe were unanimous to approve Resolution 090622-AD-3036 for a Negative Declaration on the need for an Environmental Impact Statement (EIS) for "The Oaks of Battle Brook," because the information presented on the Environmental Assessment Worksheet (EAW) is adequate for the Residential Standard Preliminary Plat for "The Oaks of Battle Brook" consisting of (10) lots: PID # 01-020-3300, 01-020-3400, 01-020-4300; Legal Desc: NW 1-4 of SW 1-4 (full legal on file); Sec 20, Twp 35, Rge 26; with 110 acres in the General Rural District and within the Shoreland Overlay District of Battle Brook and Natural Environment Shoreland Overlay District of Unnamed Lake 710042. (On file.)

Conditions:

1. Park dedication fees for two (2) lots are \$2,400. Park fees must be paid prior to the Public Works Dept signing the plat mylars.
2. Must obtain an access permit from Sherburne County Public Works.
3. The plat shall be recorded in the Office of the County Recorder/Register of Titles, subject to recording fees, within one year of County Board approval of Final Plat.

- 9:53am** **6** Conditional Use Permit for a Personal Storage Structure - Andrew Davis. Planning & Zoning
Lynn Waytashek, Planning & Zoning Administrator
Schmiesing/Danielowski were unanimous to approve a Conditional use Permit for Andrew Davis for a Personal Storage Structure, with the (5) recommended Conditions and Findings of Fact as recommended by the Planning Advisory Commission; PID # 40-033-2205; Legal Desc: W 1-2 of NW 1-4 lying NLY of Elk River (full legal on file); Sec 33, Twp 35, Rge 29; with 32.99 acres in the Agricultural District within the Recreational Development Shoreland Overlay District of Briggs Lake and the Public Water Watercourse of the Elk River.

Conditions:

1. The applicant must obtain a building permit from the Sherburne County Zoning Office.
2. Any improvements to the existing access to CSAH 6 will require a permit be issued from Sherburne County Public Works Department.
3. The Personal Storage Structure cannot be used as a dwelling unit or for any business purpose.
4. The Personal Storage Structure is not permitted to have plumbing or a floor drain.
5. The maximum height of the structure is 25 feet from the ground to the peak.

Findings:

1. That the Conditional Use will not be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted, nor substantially diminish and impair property values within the immediate vicinity.

Yes, the proposed use is a personal storage structure. It is not anticipated to diminish or impair values within the immediate area.

2. That the establishment of the Conditional Use will not impede the normal and orderly development and improvement of surrounding vacant property for uses predominant in the area.

Yes, the proposed use will be used as a personal garage. Most of the lots in the surrounding area have been built on.

3. That adequate utilities, access roads, drainage and other necessary facilities have been or are being provided.

Yes, the applicant is not requesting additional utilities beyond what a normal residence would require.

4. That adequate measures have been or will be taken to provide sufficient off-street parking and loading space to serve the proposed use.

Yes, the applicant has sufficient parking space to accommodate the proposed use and additional vehicles during construction.

5. That adequate measures have been or will be taken to prevent or control offensive odor, fumes, dust, noise and vibration, so that none of these will constitute a nuisance, and to control lighted signs and other lights in such a manner that no disturbance to neighboring properties will result.

Yes, it is not anticipated to cause offensive odor, fumes, dust, noise and vibration to the immediate area. It will be used as a personal garage.
