

Sherburne County Board of Commissioners October 18, 2022 - County Board Workshop Minutes

10:55am The Board Chair opened the County Board Workshop Meeting.

10:55am 1 Household Hazardous Waste Presentation. Planning & Zoning

Gabrielle Holman, Environmental Specialist, Dave Lucas, Solid Waste Administrator

Environmental Specialists Gabby Holman and Jillian Carlson provided a presentation to the Board on Household Hazardous Waste Management (HHW) and the benefits of considering construction of a permanent HHW facility. Discussion was had on the location, design, cost, launch, timeline, and funding opportunities. The group also discussed current hazardous waste problems within the county and potential problems that could occur without establishing a facility. Direction and input was provided to staff.

11:40am **Adjourn Workshop Meeting**
