Bruce Messelt, County Administrator

The Board discussed the consideration of clarifying/updating County Support for City of Becker Trail/Shared Use Path Along CSAH 23. The Board consensus was to move forward with option 2 as discussed, including formal notation in the Workshop Minutes of the following:

- The Official Record for the County Board's Regular Meeting of January 2nd, 2024 shall include a notation that the Record has been corrected to reflect that:
 - Resolution No. 010224-AD-3125 (Regular Agenda Item 7.1) contained inaccurate information;
 - that Becker Township had not voted to support the City of Becker's Active Transportation Grant application to MNDOT for a CSAH 23 Trail; and
 - that County Commissioner would have been opposed to passage of Resolution No. 010224-AD-3125 had correct information been presented.
- The Official Record for the County Board's Workshop of April 1st, 2025 include all of the materials presented during the Workshop as part of the Board's discussion of the CSAH 23 Trail;
- The consensus of the County Board is to continue its support of inclusion of a City-requested and City/MNDOT-funded Trail/Shared Use Path in planned 2025 design and 2026 reconstruction of this segment of CSAH 23;
- The County Administrator is directed to communicate with the City of Becker and Becker Township this determination, encouraging all parties to continue to work toward resolution of outstanding Trail/Shared Use Path issues as practicable and reasonable.
